

KINDERMUSIK REGISTRATION FORM Semester One 'Imagine That' 2012

Cities! Busy Places ~ Friendly Faces

Cities! Busy Places ~ Friendly Faces -- In this unit, sidewalks, elevators, skyscrapers, and world-traveling photographers are the theme. Learning through the pretend play that preschoolers adore, we'll be rhythmically busy playing storytelling games and handcrafting city "buildings" so we can make a cityscape in class! Plus every activity has some at-home adaptations so the parent can take part in the learning. With a pair of resonator bars as a featured instrument, and a multicultural, jazzy collection of music, preschoolers aged 3 to 5 years will develop the social and intellectual skills they'll need in school.

Home Materials: Two books—*Razupazu Toto* and *Down Our Street*, Cities! Game Board Set, Two Home CDs—collection of multicultural and jazzy music heard in class, Family Activity Book, and a pair of resonator bars.
